

Sol y Luna

Casa rural

The rural house Sol y Luna is located in the heart of the Bierzo, in the quiet village Santa Cruz de Montes, with its 200 people in winter, a perfect house, ideal for relaxing in a unique place...perfect to enjoy

The house has three floors, and fully renovated stone walls speak of their ancient origin and where the wood is the protagonist. Decorated with antique furniture and objects. Trying to recover restoration of stone walls and wooden beams that originally were in the house retains its natural charm, make it cozy where travelers are comfortable and their concerns are minimal, being fully equipped.

Santa Cruz de Montes is a quiet town of approximately 200 inhabitants, its streets, its people and the environment where it is located, makes it the ideal place to relax and enjoy some unmatched scenery. Come and enjoy their holidays, traditions, their sausages ... I hope.
